

Each One, Reach One Scholarship Information & Application

The Each One, Reach One Scholarship Program is an opportunity to connect the younger generation of the United Methodist Church with the older generation. This program allows church groups, clubs, Sunday School classes, or even a group of friends to come together to sponsor a child to go to camp. When the group donates enough to send a child to camp, they are paired with that child's family so the group can pray for the child as they go to camp. Once the child has been granted a scholarship, the camper and his/her family are given the contact information for the group that raised the money for them to attend. The group that raised the money also receives the child's name to be able to pray for them and their time at camp. The camper's family will also receive the name of the person(s) or group who sponsored their child so they can in turn pray for them or send a thank you note if desired.

The Each One, Reach One Scholarship Program is **first come first served**. If you have applied after all the funds have been allocated, you will be notified and then encouraged to apply for our partial scholarship fund (information on our website).

The application needs to be printed, completed in its entirety and in the mail no later than the deadline. Any applications postmarked after June 1st, 2023 will not be considered.

The Deadline to apply for this program is June 1st, 2023

Conditions and Requirements of Scholarship

1. Applicant needs to complete a paper summer camp registration form, one for each camper applying for scholarship. Registration must be completed before any scholarship award may be made.
2. Registration deposit of \$50.00 per camper should be included with application. Should Blue Lake be unable to award a scholarship for any reason, this deposit will be refunded.
3. Cancellation, no-show, and other fee policies apply. These are detailed on the registration page of www.bluelakecamp.com
4. Scholarship recipients may attend only one summer camp session per year.
5. This program exists to make attending camp possible for children and youth who would not otherwise be able to attend camp without assistance. If you have concerns or difficulty with any part of the scholarship application process, please contact us.
6. The camper's family or sponsor will be notified by email of any scholarship award received. They will also receive the name and contact information of the group that sponsored the child.
7. The Sponsor Group that donated the money for your camper will receive the child's first name and grade, so they can pray for your camper while they attend camp.
8. It is not required for the camper's family to follow up with the camper's Sponsor Group after they attend camp. The family will be provided with the group (or person's) name and address if they would like to send a thank you note of any kind.
