

Blue Lake's Be the Spark Campaign is a campaign to raise at least \$450,000 to address two specific needs that we currently have:

To pay off our remaining mortgage which sat at \$380,000 in January from its original amount of \$1.8 million. **1**

**2** To use the additional \$70,000 to begin facility updates throughout our site.

**Here is the Great News!**  
The Alabama-West Florida Conference of the United Methodist Church is supporting our efforts with an incredible gift. The Conference will match every dollar we raise in 2023 up to the first \$223,000 we raise. Every gift we receive will be doubled!
