Restrictions:

I have reviewed the program and activities of the camp and feel this camper can participate without restrictions.

I have reviewed the program and activities of the camp and feel this person can participate with the following restrictions or accommodations.

Please list any restrictions/accommodations here:

Policy for Parent/Guardian Contact:

Phone contact with parents/guardians is established in an emergency. Each person's health form contains contact information, as well as designates alternate contacts if the parents/guardians cannot be reached. This process is initiated by the Director and/or the lead healthcare provider but can be delegated to an appropriate staff member. Since the program has no way of determining what each person considers an emergency, the general camp practice is to contact parents when there is concern about a person's health and/or when a situation is not progressing as expected. Phone contact is followed by a letter which provides specific information about the situation. Because many people remotely access their voice mail, it is expected that camp personnel leave voice messages on answering machines that appropriately communicate the need for a given parent to call the camp. All contact, successful and unsuccessful, is documented on the individual's health form.

Parent/Guardian Authorization for Health Care for all Minor Campers:

This health history form is correct and accurately reflects the health status of the camp attendee to whom it pertains. The person described has permission to participate in all camp activities except as noted by me and/or an examining physician. I give permission to the physician selected by the camp to order x-rays, routine tests, and treatment related to the health of my child for both routine health care and in emergency situations. If I cannot be reached in an emergency, I give my permission to the physician to hospitalize, secure proper treatment for, and order injection, anesthesia, or surgery for this child. I understand that if my child becomes ill with a contagious illness such as stomach virus, chicken pox, or flu they will be quarantined and parents will be required to come and pick their child up from camp. I understand the information on this form will be shared on a "need to know" basis with camp staff. I give permission to photocopy this form. In addition, the camp has permission to obtain a copy of my child's health record from providers who treat my child and these providers may talk with the program's staff about my child's health status.
